**Fund raiser Art Sale at**  
**Pt. Ruston Market**  
**May 11, 2024**  
**between 11:00M -**  
**5:00pm.**

**This will be the day before Mother's Day, so hopefully we will have a good flow of traffic in the market. We will be able to set up the night before. We are hoping this will be a good opportunity to raise money for PGA to cover our expenses. No limit on size or quantity of items. It will be a 50/50 split between artists and PGA. We are thinking small items like note cards, small pieces will sell. There is space for hanging and we will have three tables with racks for artwork. Remember photography and sculpting items are always welcome. We will need PGA members to take shifts, so a signup sheet will be out at the April meeting.**

**Filling out the inventory sheet** that is included in this newsletter, please leave the inventory number blank as a number will be given to each participant as I receive the information. That will be a identification method so that I can quickly keep track of each participants sales for reimbursement after our sale. Fill out the sheet in triplicate keeping one for your records, one tag is visibly attached to the item and one comes to me for our inventory. The list for me can be the sheet or individual cut up tags. Just be sure that I receive something for every item. I will be calling you if I have questions. Bear in mind that we will keeping 50% of the Sale price as this is a fund raising event for our organizations. **Please get the info to me ASAP, no later than April 16. You can email or snail.**
